

HOSPITALITY FURNITURE

OPTIMUM PERFORMANCE

Established in 1991, Optimum has evolved into a highly capable company. Based in Hartlepool in a purposely designed factory and showroom.

The continual investment in our manufacturing plant and in house services has enabled us to provide products of proven quality, when the trend has been to outsource products and services.

We have a working showroom in Hartlepool where we can discuss all customers requirements.

Through continued investment in the latest technology, Optimum now employs CAD Design, 3D Max & CNC Technology delivering quality innovative products every time.

Mike Pearson
Managing Director

Optimum Hospitality Furniture

Here at Optimum we understand that heart drives inspired spaces. It's a busy world we live in, and whether its travel, work or play, comfortable, flexible and inspired spaces are more important than ever before.

Optimum Design, Manufacture and Install a wide range of high quality, well considered and stylish hospitality furniture.

We offer choice and flexibility, taking the time to fully understand our client's needs — and the expectations of the guest.

We're confident that we can provide you with the Optimum solution.

Accommodating the needs

We have a wide range of standard hospitality furniture pieces, which have been developed with innovation in mind. However, we do also offer a bespoke solution, allowing our clients to realise their desired vision.

Our studio design team are more than happy to help you achieve your space, in both 2D and 3D designs.
